1:00-2:00pm	Presentations repeated
2:00-4:00pm	Demonstrations & displays
4:00pm	Event Closes

**WHAT'S INVOLVED IN THE DAY**

Working demonstrations and presentations will be held across the day:

- Commercially available options for mobile, upright and adaptable wool harvesting alternatives
- Talk to leading shearing machinery, shed, handler and yard manufacturers about design and construction
- See what's the horizon with research into safer and more productive and efficient wool harvesting systems
- Check out the innovation in shearer and wool handler safety technology, handpiece and shed design, and biological defleecing
- Get the latest in AWI shearing shed safety, shed design and shearer and wool handler training initiatives

**REGISTER NOW!** This event is free of charge, but we'd really appreciate you registering so we can let the caterers know numbers.
